claim 35 "SOI" has been replaced with "silicon-on-insulator".

Claim 3 has been amended for consistency in the application.

Also, the rejections based on §112 have been addressed, by amending "an insulating sidewall", "said trench", "first diffusion" and "second diffusion", as required by the Examiner.

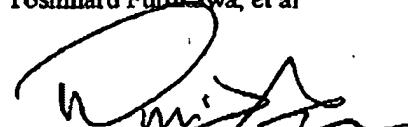

In view of the foregoing amendments and remarks, Applicants submit that all of the claims in the present application are in condition for allowance. Accordingly, it is respectfully requested that the Examiner pass the present application to issue.

If any fees, including extension of time fees, are due as a result of this response, please charge IBM Corp. Deposit Account No. 09-0456. This authorization is intended to act as a constructive petition for an extension of time, should an extension of time be needed as a result of this response. The Examiner is invited to telephone the undersigned if this would in any way advance the prosecution of this application.

Respectfully submitted,
